REQUEST TO VACATE PROCEDURAL SCHEDULE

Through this filing, EPCOR Water Arizona, Inc. and Chaparral City Water Company (collectively, "Applicants") respectfully request that the Administrative Law Judge vacate the current procedural schedule set forth in the Procedural Order dated March 19, 2013. As set forth in the Procedural Order, Applicants are required to send a bill insert in its April billing cycle to be completed no later than May 1, 2013. Given the timing of the procedural order and other commitments for bill inserts (e.g., required water quality notices), Applicants could not meet this requirement.¹ As a result of the need to delay the procedural schedule in light of the inability to timely meet that requirement and given that such delay would likely push the procedural schedule into the processing of

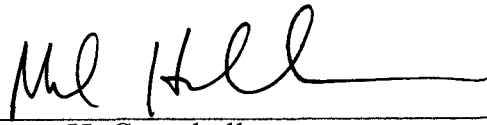

¹ In addition, a direct mailing of that notice is not cost effective.

1 now pending and soon to be filed matters by the Applicants, Applicants are requesting
2 that the Administrative Law Judge vacate the current procedural schedule.

3 In June 2013, the Applicants intend to provide an update to this Application. At
4 that time, Applicants will assess the appropriate timing of the processing of this
5 Application and will work with Commission Staff and RUCO to propose an appropriate
6 procedural schedule.

7 RESPECTFULLY SUBMITTED this 28th day of March, 2013.
